Order 43110257 was called out on yesterday's report; however, 43110330 did not show up on the report for yesterday. The order was submitted electronically around 4:30pm. The report was run prior to that time.

I will follow-up with Anda on Monday regarding the quantity increase.

Thank you,

Kristina

Hello,

There is on order on today's report for October 3, 2014.

<image003.png>

43110450 – Smith Drug has not ordered this product in the last year.

Thank you,
